

STAFFORDSHIRE AND BLACK COUNTRY BUSINESS INNOVATION CENTRE

SBIS Intensive Assistance support

GUIDANCE FOR CONSULTANTS

Purpose of the Subsidised Scheme

The SBIS project has been set up to encourage potential high growth/high value businesses to develop their innovative business ideas. The assistance is available to businesses in the following sectors: Professional Services, ICT, Creative Digital, Medical Technologies and Finance areas and can be utilised for Consultancy intensive assistance.

All project applications are put forward to an independent assessment panel that decides which applications to support.

The more information the client can give us about their application, the easier it will be for the assessment panel to ascertain suitability.

Consultant Criteria

1. Any Consultant working on the project must have a recognised relevant qualification in their area of expertise and have current membership status.
2. The Consultant must have relevant work experience in the area of support required.
3. Professional Indemnity insurance to the value of at least £1m must be held and evidence provided.
4. Two references from clients that you have worked with in the last 3 years are required.
5. Evidence of work carried out will be required before payment can be made.

The BIC's mission is as follows:

Turning innovative ideas into business opportunities
